Your feedback is vital in shaping the direction of the Guidelines.

We invite you to reflect on each session and share your thoughts either in discussion times throughout the workshop or via the QR code below.

Please consider the key issues that stand out in each session, pose questions, recommend ideas for improvement, and suggest any potential contributions that could be made by you or your organisation.

Our Sponsors

The Life Course Centre would like to thank our Program Sponsors, the Australian Bureau of Statistics and the Australian Institute of Health and Welfare. Through their generous support, we are able to bring together a wide range of non-government and not-for-profit organisations, along with policymakers and practitioners, who are committed to developing the effective use of data to help reduce disadvantage in Australia.
